## Student Enrolment

On Monday we welcomed another student to our school. Casey Goymer has recently moved into the area from Sydney and is in Year 1 with Mrs Wilson's class.

We'd like to welcome Casey and his dad, Christopher, to the Tintinhull community.

## New Signs in Parking Area

We are sure that by now most of you will have noticed the parking signs that have been erected by Tamworth Regional Council in the area at the front of the school.

Attached to this newsletter are two copies of the new car park arrangements. If you have relatives or friends who use this area please give them a copy. More copies are available from the office on request.

Tamworth Regional Council have informed us that disregard of the signs will attract a parking fine.

## Literacy Group

Today was the last day for the Literacy groups with Mrs Robinson. Well done to all the students who were involved with the program.

Mrs Robinson is very impressed with the quality of writing and work that the students produced while attending these classes.

## Active After School Program

Next Monday, 24<sup>th</sup> November, will be the last day for the Active After School Program. Thank you to all the students and parents who have supported the Active After School Program over the last few years. The program will not recommence next year as the funding and program no longer exists.

## 1,2,3 Homework

This was the last week for homework in Mrs Robinson's class. It is requested all students return their homework folders to Mrs Robinson ASAP so she can organise Home Reading Certificates to be presented at the last assembly.

Well done to all students who have continued to complete their homework and home reading throughout the year.

## Library Books

This week was the last week for students to borrow books from the library. Please ensure that all library books be returned to the library ASAP to enable the library to be back in order ready for next year.

Attached to this newsletter is a list of library books that your child/children still have out on loan.

## OOSH (Out of School Hours Care) Update

Thank you for the warm welcome everyone has given to me in my new position as the coordinator of Tintinhull OOSH.

It is nearly the end of the school term (and year) and it won't be long before it's Christmas!

School finishes on Wednesday 17<sup>th</sup> December and I am intending to open the OOSH on Thursday 18<sup>th</sup> and Friday 19<sup>th</sup> December as long as I have enough bookings to make it viable for me to open. Please contact me before Friday 14<sup>th</sup> December if you require care for these two days.

The OOSH will be closed from Monday 22<sup>nd</sup> December until Friday 2<sup>nd</sup> January, reopening on Monday 5<sup>th</sup> January. Vacation care will be open until Friday 23<sup>rd</sup> January and will be open on the school staff development day on Tuesday 27<sup>th</sup> January. I am looking at doing a few excursion during vacation care, including going to Kootingal pool, the movies, Kidszone and the marsupial park. These excursions will cost extra. The vacation care program will be available and sent out to all parents before the end of term.

Tintinhull students have priority for placement and I am accepting bookings now.

Thank you for your continuing support. Kelseigh Brown.
