School Swimming and Water Safety Program

The 2014 swimming and water safety program will commence on Monday 24th November and go for 10 school days until Friday 5th December.

This year, due to our increased enrolments and a certain allocation of student numbers, we can only offer the swimming program to students in Kindergarten to Year 2 and to students in Year 3 who cannot competently swim 25m using correct stroke technique. If you have a child in Year 4, 5 or 6 who is a non-swimmer please see Mrs Robinson.

The cost for this program is \$2.70 per day per student (or \$27 for the 10 days) for pool admission and \$2.30 per day per student (or \$23 for the 10 days) for bus travel to and from the pool. Total cost per student for the 10 days is \$50 or daily rate of \$5 per student. The school is partly subsidising the students for bus travel. If payment has not been received for any day your child/children will not be participating and will remain at school.

A permission note is attached for all Kindergarten to Year 2 students and to Year 3 students who we have determined are not competent swimmers. Please return this note as soon as possible. Payment in full does not have to be made until Friday 21st November or payment made on a daily basis.

Music Count Us In 2014

Yesterday at 12.30pm all students performed the song 'Paint You a Song' as part of the 2014 Music Count Us In Program. We performed the song in the library, simultaneously with students from all over Australia. As we were singing we watched the Live Stream Performance at Parliament House.

Music Count Us In is about raising awareness of the unique benefits and opportunities music education provides for all students regardless of their age and ability. Music learning helps build brain power, team skills, confidence, school engagement and it is a skill for life.

The students will be singing this song to our school community at the end of our Presentation Night on Thursday 11th December.

Rural Fire Service Visit

On Tuesday the Kootingal Moonbi Rural Fire Service came for a visit to our school to teach us about fire safety and showed everyone their fire truck. At the end of the talk they sprayed us with water. We also got bags full of colouring, rulers and fire safety booklets.
