Term 2 - Week 4

Thursday, 14 May 2015

From the Principal

It has come to our attention this week that students are leaving the school grounds in the afternoon without a teacher being present at the gate. Sometimes teachers are delayed for a short while. We are asking for parents to please be patient and do not take your children before a teacher arrives. We have these rules in place for the safety and protection of you children. Your cooperation in this matter is appreciated.

Due to changes of the Australian curriculum and the methods that we use to plan for and assess student learning, we have altered our student reporting system. Mrs McDougall will be presenting the report and explaining the new format at the P & C meeting next Monday, 18th May.

A big thankyou to Mrs McDougall and the parent helpers for organising and running the Mother's Day stall last Friday. An outstanding amount of \$196 was raised from the stall.

A big thank you to the families who collected sponsorship money for the Fun Run. We collected just over \$2000 of which we get to keep just over \$1100.

PSSA Zone Cross Country

The PSSA Zone Cross Country is being held at Barraba Sportsground next Monday 18th May. There is a team of students travelling to Barraba on Monday to represent our school. We wish our team all the best.

P & C News

The AGM (annual general meeting) and general meeting of the P & C will be held next Monday 18th May commencing at 3.45pm.

The P & C is an integral part of the school and is vital to decision making for the students of the school. Attending the AGM does not mean you will get lumbered with one of the key positions. However, please note that some of these jobs do need to be shared more, as good management practices dictate that most of the executive have held the position for more than two years.

I am looking forward to a good attendance of parents at the AGM.
