Dance Festival 2018

"Wanna see myself shine on the dance floor" was the opening lyric of *Rainbow*, the song the Dance Festival girls danced to last Friday. And shine they did. The weeks of hard work learning the steps to the dance showed in their beautiful execution of it for both performances. The girls looked stunning with their diaphanous white dresses providing a backdrop for the rainbow colours of the scarves. The broad smiles of the girls showed their pride and delight in their accomplishment with their parents moved to tears at their performance. We congratulate the girls on their achievement and thank Miss Hull for her dedication in choreographing the dance, coaching the girls and providing the costumes, hair accessories and above all, the amazing opportunity.

P and C News
