## Library Borrowing

Library borrowing has now concluded for 2018. Students are now asked to return books they have borrowed. We also ask for home readers to now be returned to your child's classroom teacher. Library notices will be sent home to remind students which books are to be returned.

## Scripture

Next Monday will be the last scripture classes for the year. We thank the teachers for attending our school throughout the year and to Mrs Turner for coordinating the service in our school.

## School Banking

The last Dollarmites school banking for the year will be Thursday 6th December. Hope you are getting closer to your saving goals.

## P and C News

Last term our P and C ran the canteen for the Regional Athletics Carnival. The day before the carnival was a busy day picking up all the equipment, supplies and setting up. I'd like to say a big thank you to Shantel Campbell for helping me on the day to set up. Unfortunately we did not have enough volunteers for the day which resulted in our helpers staying between 5 to 10 hours. A simple thank you to the people that helped does not seem enough. Without your help we would not of raised over \$3500, which you can all agree is absolutely fantastic!

There have been another two fundraisers held in the past two weeks for the P and C. The photography sessions raised \$360 and the Bunnings BBQ last Saturday raised a further \$1330.

Our final P and C meeting for the year will be held on Tuesday 4th at 4pm. I look forward to discussing with members how we will support the school in 2019 with the funds we have raised.

Finally, the last canteen of the year will be held on **Wednesday 12th December**. I thank the people who have been able to help out again this term.
