Term 3, Week 3

Education Week 2020

Our Education Week 2020 theme, 'Learning together', reflects an incredible year for NSW public school students, staff and parents, and the partnerships that have been strengthened in response.

This Education Week, we embrace the whole NSW public education community, highlighting the achievements of local schools and the role of public schools as the cornerstone of their communities.

In this year of bushfires, floods and COVID-19, the key messages of Education Week are:

Schools are the cornerstone of communities

Parents and carers are our partners in learning. Schools and families benefit from strong, respectful relationships where responsibility for student learning is shared.

Change and resilience

Our teachers and students are lifelong learners, collaborating in a positive learning environment to achieve their best. Learning together makes us strong and creates resilient communities.

Connect better and learn together

Our school staff are dedicated professionals who know, value and care for all students. Technology enables learning together anywhere, any time.

Assembly Awards presented on Monday.

Technology for parents and carers

Presented by the Federation of Parents and Citizens Association of NSW (the P&C) in partnership with the NSW Department of Education's Rural & Distance Education team, this one-hour Zoom webinar at 7pm on Thursday 6 August has been specially created to give parents and carers a working understanding of the technology most commonly used in NSW public schools.

In this easy-to-access online event we will cover:

- the common technology platforms used in public schools
- the decisions schools make when they are selecting a technology product
- where you can access more information
- 'deep dives' into both GSuite for Education and Office 365, including how to check for your child's upcoming work and submitting work and
- general questions about GSuite for Education and Microsoft Office365.

Find out more, meet your presenters and reserve your place for Technology for parents and carers on the P&C's Zoom registration page.

Parenting Ideas

Maintaining strong family traditions

Strong families develop their own traditions and rituals that define them and bind members together. Birthdays, Christmas, Diwali, bar mitzvahs, and Ramadan are some traditions and rituals that families enjoy. They are the coat hooks upon which we hang our family memories. By definition, they are permanent and not set aside when life gets busy.

Cross Country Fun Run

As we have been unable to run the Cross Country as normal, we have planned to hold a 'Fun Run' event.

Unfortunately parents are unable to attend, but staff felt that it was an opportunity to hold an event resembling as something 'normal' in our school calendar.

Students will complete a march pass in their house groups, with points calculated on participation.

Date: Thursday 13 August

Students can come dressed in comfortable, house-coloured clothes and good joggers. Please ensure your child has an extra drink bottle on the day.
