Term 4, Week 6

Term 4 Update

From Monday there were some easing of restrictions within NSW Schools that will remain in place for the remainder of term 4.

Any visitors to a school who will be on site for longer than a drop off or pick up is required to have received two doses of the COVID-19 vaccine. Some exemptions apply. I am required to ensure that you have signed into the school correctly via the QR check-in and are able to show proof of your vaccination. Please be aware that you will be asked until further notice as per the Government guidelines.

Students who attend scripture will have two more lessons on Monday 15 and 22 November to finalise the year.

The P & C will be able to hold their final meeting of the year on school grounds, scheduled on Tuesday 23 November at 4.30pm.

At this stage I am unable to confirm if we can have guests at our end of year presentation. If we are able to have invited guests, our parents and carers of year 6 will be able to attend. This will be confirmed closer to the date.

The staff and students wish Mrs Robinson all the best for the upcoming birth of her second baby. She has commenced her maternity leave. Ms Hadley will be teaching the 5-6 class for the remainder of term 4.

For the next four weeks each class is fortunate to have a professional placement teacher working with them. We welcome Mrs Rachael Baldo in 5-6, Miss Ruby Cooper in 3-4, Miss Caitlan Tull in 1-2 and Mr Ryan Hansen in K-1. The placements are allowing the students to complete their university studies that have been disrupted throughout year.

Our year 5 students who wish to run for a leadership position in 2022 will be presenting their speeches to students on Monday 22 November from 9.40am. A Zoom meeting will be scheduled and a link emailed to parents of the students to allow them to be able to watch their child.

Yesterday our incoming kindergarten attended their third transition day. The 16 children have been enjoying the chance to participate in school routines and spend time with the older students during break times.

Dates For Your Diary

(Dates published for term 4 are subject to change with ongoing COVID restrictions)

We look forward to all the children commencing kindergarten full time in 2022.

Finally, families that have a child in year 5 are reminded that if you wish to apply for the selective schools test for year 7 in 2023 the applications website closes 17 November.

Andrew Rodgers

The book fair will be at the school next week. A time table will be published on the school stream app for parents wanting to book a time to come and have a look at the fair. This will be the same process as last year and items purchased can either be paid by cash or eftpos.

Please note that we will NOT be having a book parade this year, only the fair.

P & C Calendar Fundraiser

Thank you to all the families that have ordered a calendar, or two. Over the next few weeks I will be processing the orders.

Calendars will be sent home by Friday 3 December.

Sharon Toomey
Calendar co-ordinator

The school purchased copies of Harrison Craig's book to be raffled as a reward for exceptional behaviour while attending the virtual excursion.

Hamish, Stella, Jake, Zayne, Kobi and Liam were the winners of the raffle.

Mr Mead set up the Poppies display under the COLA today for our Remembrance Day service. Luckily the rain held off until after we had finished.

Canteen

For the remainder of the term Mrs Cronberger will be running canteen on a **WEDNESDAY**.

The menu will remain the same and items will be available until sold out.

Please ensure your child uses either their lunch bag or brown paper bag to place orders.

School banking update.

Message from the Commonwealth Bank

Recent decisions by some state and territory governments mean we are unable to continue providing programs in schools, and we have had to make a difficult decision to close our School Banking program for all schools across the country.

Even though the CommBank School Banking program will not be returning to schools after this year, you can continue to make deposits into your child's Youthsaver account through online transfers or at any CommBank branch. If you need further information please phone 132 221 or visit your local CommBank branch.

Good for Kids good for life

Dice fitness at home

Keep active at home with a game of dice fitness. You can play as a family!

Equipment

Dice

List of six exercises (on paper or a whiteboard so you can see them)

How to play:

Roll the dice and do the matching exercise (for example if you roll a '3' do a squat)

Start with one repetition of the exercise and build up with each roll (for example, on your second roll do the exercise twice)

Change it up:

Try adding an action between each roll – you could run the length of the garden and back

Use our exercise ideas below or make your own list. Get creative!
