Principal Message

Another term nearly completed. Where has the year gone? I believe time always moves faster when you are having fun and enjoying what you are doing.

I really enjoyed the performances at assembly last Friday. A big thank you to the amazing Miss Yvie and the children for the stunning performances.

I would like all the parents to be aware of the Tintinhull School website page. Lots of great posts are happening on there.

Finally, I would like to wish all our students and staff a restful break over the holidays so that everyone comes back refreshed and ready for the new challenges of term 4. Students return Monday 14th September.

Assembly Awards

Congratulations to award recipients.

We're ending term 3 with a BANG! This Friday.

Kindergarten

On 10th September 2024, the kindergarten and Year 1 classes travelled via bus to The Capitol Theatre to attend a live performance of *The Gruffalo*. The show is based on the popular children's picture book of the same name by Julia Donaldson. We arrived at the theatre in plenty of time so we took the opportunity to have some photos with *The Gruffalo* sign in the background.

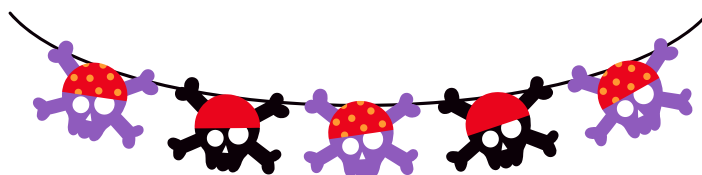

We entered the theatre and marvelled over the set which was representing the woods in which *The Gruffalo* was set. Tintinhull was one of the first schools to be seated in the theatre so we had the opportunity to make predictions on what would happen in different places on the set. Soon the house lights dimmed, and three actors appeared as narrators on the stage. One transformed into Mouse and another into Fox. The third remained as the narrator.

We were enthralled as we watched clever Mouse avoid being prey to Fox, Snake and Owl by inventing the Gruffalo. The appearance of the Gruffalo with its terrible claws, and terrible tusks in its terrible jaws, and knobby knees and turned-out toes, and a poisonous wart at the end of its nose had the students cheering. Mouse however outsmarted the Gruffalo by making him walk behind and scare the other animals. The students were excited to help Mouse by roaring during certain parts of the show. They were also keen to join in singing the catchy songs.

All too soon the lights came on and the show had finished. We returned to Tintinhull having experienced the delight of watching a live show.
